

The logo for AgroPro, featuring the word "Agro" in white on a red background and "Pro" in red on a white background, all contained within a rounded rectangular border.

AgroPro

Premium Groundcover by Plant Care

Premium Groundcover by

**AgroPro is the outstanding 100g/m<sup>2</sup>, premium grade ground cover from Plant Care.**

Manufactured to the highest quality in widths ranging from 1.05m – 5.15m, AgroPro carries a 5-year UV guarantee and is the perfect choice for the professional grower and landscaper.

AgroPro is instantly recognisable by its distinct blue and red grid marker. Its woven construction combines outstanding weed suppression with excellent water permeability.

**Designed to provide weed free growing areas for:**

- Outdoor growing areas, polytunnels, glasshouses and on benches.
- Production of bedding and pot plants
- Production of soft and top fruit
- Capillary, sand and gravel beds.
- Organic growing systems

**Primary features**

- Exceptional weed suppression without spraying
- Outstanding UV resistance – 5 year UV guarantee
- Excellent water permeability maintains moisture levels without puddling
- Grid markers to improve positioning of pot plants
- Easy installation and easy maintenance
- Strong – can be re-used over many seasons
- Puncture and tear resistant – can handle machine and pedestrian traffic
